About Us

We, Kaizen Airtech Solution, are a business offshoot of the reputed and industry leading Kaizen Group, which renders complete turnkey clean room solutions. Working under the headship of Mr. Yuvraj Shelke, it brings quality and value to clients hailing from diverse verticals. We initiated business in 2013 as a part of this group and as words spread, we gained immense popularity by the dint of our efforts and excellence, securing clients from many different fields like Pharmaceutical, Life Science, Biotechnology, Health Care and Electronics.

Today, as a trusted manufacturer, we develop a line of Kaizen Air Shower, Kaizen Environment Test Chamber, Kaizen HVAC System, Kaizen Modular Clean Room, etc., all marked with the quality seal of Kaizen. We can also create Modular Clean Room solution in customized variants and execute turnkey HVAC, Clean Room and Modular OT Project. As a service provider, we can also render professional and fairly priced Cleanroom Air Shower, Environmental Chamber, HVAC Service, Design Service, Clean Room AMC Service and Modular Clean Room Construction Service. We even work as a third party exporter, delivering cost effective and exemplary solutions as per client needs. In all our efforts, we are empowered by our sister concerns, Kaizen Airtreat and Kaizen Fiber Optic.
